Thanks,

Looks good. Once you announce this decision to your folks on Monday, I can reach to Michael and get an updated org chart. Then we can get Amy to sign the waiver on Monday.

Ted,

Draft waiver is attached. I just used some words from your PD to fill it in. Feel free to change it however and then send back to me. We will need to get an org chart done before the waiver gets sent to HQ, but maybe can do that Monday once you tell your team.
